Application for the post of a cafeteria attendant

Dear Mr. Preston:

I found out about your need for a cafeteria attendant from the listing on JobBankUSA.com. I've had experience in this work and would enjoy becoming part of the team of cafeteria attendants you are hiring for Sunnyside.

I've been acknowledged for my ability to get the job done, keep supplies well stocked, assist customers with their food selections, answer questions and transport dishes and other items to and from the kitchen.

I'm writing this cover letter in hopes that we can meet in person to discuss the work if you decide to hire me. Please call me at 786-909-9098 to set up a time. Thank you for considering me for the job.

Sincerely,

Marjorie Brandon
